

Farming in Newark, NJ

The City of Newark currently has 2,000 vacant properties/lots. Looking to participate in Newark's Adopt-A-Lot Program or purchase city property for green development?

You must contact the Department of Economic & Housing Development:

Keith Hamilton
Senior Manager
Division of Property Management
973.803.8233
Hamiltonk@ci.newark.nj.us

To learn about the development of the City of Newark's Land Bank you must contact Newark Community Economic Development Corporation (Newark CEDC) now called **Invest Newark**:

111 Mulberry Street, Lower Lobby
Newark, NJ 07102
(Across the Street from Dinosaur Barbecue on Market St. Enter on Market St.)
973.273.1040

When it comes to purchasing city-owned property, here are some things you would need to have in order:

- Executive Summary (including background and portfolio for the developer)
- Project Description
- Sources / Uses
- Preliminary Pro Forma (budget)
- Conceptual Floor Plans and Elevation
- Project Timeline (in Gantt chart format)

Utilizing the approach of social entrepreneurship, Newark Science and Sustainability, Inc. (Newark SAS) is a community-driven, 501c3 nonprofit organization based in Newark, NJ that implements various initiatives to increase awareness of environmental, ecological and wellness issues through educational programs and hands-on activities. Newark SAS assists with the creation of self-sustaining and environmentally friendly communities by developing pathways for green jobs, increased self-sufficiency, and broader community empowerment. We achieve this through collaborations and partnerships with residents, community-based organizations and other key stakeholders, including local businesses. Your continued support helps our local actions address global challenges.
